# EUROPEAN STUD FEES AND KEENELAND JANUARY MIXED SALE RESULTS

Greetings from [sireaverages.com](http://sireaverages.com),

I hope everyone has managed to stay warm during the recent ice storms. I know our power has been out for a day now and I am holding little hope for it to return soon. Never the less, [sireaverages.com](http://sireaverages.com) presses on. In the coming weeks [sireaverages.com](http://sireaverages.com) will be providing real-time results for Tattersall's, Fasig-Tipton and Goffs. Make sure to visit the "Upcoming Sales" section of [sireaverages.com](http://sireaverages.com) for a complete schedule of the sales provided in real-time.

I also wanted to remind everyone that [sireaverages.com](http://sireaverages.com) operates on the **breeding calendar and not the regular calendar**. Therefore, all mixed sale results that fall in 2009 will be found in 2008. For example, Keeneland January 2009 will actually be found in 2008 when you are selecting a sale year. This has caused some confusion but rest assured we are not missing any results.

Please let me know if you have any further questions and I will be happy to assist in any way I can.

Best regards,

Will Rouse  
Director of Marketing/Sales
